

## October is Breast Cancer Awareness Month

Many advanced treatments that could increase your chances for cancer survival may not be available locally. Travel, care, and other out-of-pocket expenses can be overwhelming. It's good to know that your association has endorsed a cancer plan that will pay cash directly to you upon first diagnosis of internal cancer or malignant melanoma, paid at one time in one lump sum. This policy is available through our trusted partner, Association Member Benefits Advisors (AMBA).

There's no obligation, so why not see if a cancer policy is right for you? To learn more, call AMBA at 1-866-684-5267 or ([CLICK HERE](#)) IRTA.
