- ***No action is required unless the member needs to add/remove a dependent or wishes to opt out of the Aetna MAPD PPO Plan.***
- Member elections go into effect January 1, 2023.
- Members will receive a welcome kit in the mail from Aetna with more information about the plan and will also receive new member ID cards, which can be used for medical and prescription drug services.
- TRAIL seminars will be in-person this year beginning November 1-18, 2022, except for the Nov. 8 and 11 state holidays. **Dates and locations are still being finalized. This information should be available in early October and will be sent out to all members on a “save the date” mailer. CMS will provide Advisory Board members the listing of events once it is available.**
- There will be three virtual high-level webinars beginning October 25-27. Members can attend these first and decide if they want or need to attend the live seminars in person.

Beginning January 1, 2023, your new medical and prescription drug plan will be the **Aetna Medicare Advantage Prescription Drug (MAPD) PPO Plan**. This new plan will replace your current plan, whether you're currently enrolled in the UnitedHealthcare MAPD Plan or one of the MAPD HMO Plans (Aetna, Health Alliance, or Humana).

No action is required unless you want to opt out of the Aetna MAPD PPO Plan, add or remove dependents, or change dental/life coverage, if applicable. If you and your Medicare-eligible dependent(s) are currently covered under the UnitedHealthcare MAPD Plan or a MAPD HMO Plan, you and your Medicare-eligible dependent(s) will be **automatically enrolled** in the Aetna MAPD PPO Plan with coverage beginning January 1, 2023.

If you have tried to enter the Member's Only section of the IRTA website but have not been able to do so, read the information below:

The Member Portal located in the Member's Only section of the IRTA website was reviewed. IRTA member's username is now their email, and they need to establish a new password. Each member can review their own personal information, pay their dues, see when their membership is up for renewal, donate or review their donation history, register for an event, and update their profile information. The Member's Only section of the website looks similar to how it did in the past, but it has been updated to use with the new IRTA database. Committee Members should share this information regarding the member compass and Members Only Section updates with their Area Local Units.
